

SEVA FIRST INNOVATION CHALLENGE

Maharashtra – Chhattisgarh – Goa – Dadra and Nagar Haveli and Daman and Diu

Salient Features of the Challenge

1. **Sectors and Sub-sectors:** The Challenge covers **10 main sectors, each comprising 5 sub-sectors**, making a total of **50 sub-sectors** for submission of entries. The last date for submission is **17 October 2026**.
2. **Each Subsector will have three categories:** Women-1, Youth-1 and General-3
3. **Winners:** One winner will be selected from each sub-sector, resulting in a total of **50 winners** across all sectors.
4. **Final Presentation:** A final **in-person presentation** will be organised to select the winner from each sub-sector.
5. **Final Selection Pool:** Each sub-sector will have **20 entries** in the final selection pool, resulting in a total of 1,000 entries across 50 sub-sectors.
6. **Online Submission Portal:** A dedicated portal has been launched for online submission of entries: <https://www.sevainnovationchallenge.in/>
7. **Scrutiny and Selection Process:** All entries will undergo online scrutiny, and shortlisted applicants will be invited to participate in the final in-person presentation.
8. **State-wise Distribution of Entries:** The 20 entries shortlisted for each sub-sector will be distributed among the participating States/UT as follows:

i. Maharashtra	10
ii. Chhattisgarh	05
iii. Goa	03
iv. Dadra and Nagar Haveli and Daman and Diu	02
Total	20
9. **State-wise Selection:** Each participating State/UT will undertake the selection of entries originating from its respective jurisdiction, in accordance with the prescribed process to select the final number of entries as in point 7 above.
10. **Common Awards:** The Challenge will have **prizes** in the form of **work orders worth ₹10 lakh each**.
11. **Additional State-level Awards:** Participating States/UT may also provide additional awards to entries originating from their respective jurisdictions, over and above the common prizes.
12. **Sharing of Innovative Solutions:** The best solutions received through the Challenge will be shared with all participating States/UT, which may consider implementing them according to their respective requirements.
13. **Publicity and Mobilisation:** To ensure maximum participation, participating States/UT are requested to give wide publicity to the Challenge and its online submission portal among **universities, colleges, polytechnics, ITIs, incubators, R&D centres and other relevant stakeholders**.
14. **Progress Reporting:** Participating States/UT are requested to share **regular progress reports on Innovation Challenge (IC) activities and participation** with the Central Nodal Office.
